Gloria Serrato, left, president of the Macfrio Community Pre-school, and Carrie Burciaga, first president and now secretary of the group, display plaque they won at the Disneyland Community Service Awards luncheon last week.

5 Local Organizations Win Disneyland Service Honors

ANAHEIM - One Placentia group and four Fullerton organizations were among the winners of Disneyland Community Service Awards presented at a luncheon last week.

In Placentia the Macfrio Community Preschool in the La Jolla area of Placentia was honored with a \$500 check for its service in educating the youngsters of the area.

The Childrens League of Fullerton was honored with a \$500 award, the Soroptimist Club of

Fullerton received \$1000, the Patrons of the Library at Cal State Fullerton received \$1000 and Titan Tutorial at Cal State Fullerton received \$1000.

Winner of the \$7,500 grand prize award was the Orange County Chapter of the American Red Cross, primarily for making available the first permanent blood laboratory and donor facility in Orange County.

Serving on the awards committee this year were Dr. John L. Davis of Orange, chairman; Mrs. Leonard V. Bouas of Anaheim, Mrs. Peter Churm of Fullerton, Mrs. Ronald B. Drummond of Capistrano Beach, William R. Mason of Newport Beach and Hitoshi Nitta of Santa Ana.

Hearings Set On General Plan Proposal

YORBA LINDA - Public hearings on the Yorba Linda General Plan will begin Thursday, March 11, at 7:30 p.m. in the Council Chambers at City Hall.

The first hearing will be attended by Charles Stapleton, of Lampman and Associates, Pomona, California, who will present an outline of the General Plan, including its function, role and future.

The General Plan for the City of Yorba Linda is a statement of policy for the development of the community. It is not a zoning ordinance. A general plan must include three major elements: land use, circulation and housing information. The Yorba Linda General Plan includes seven elements. These elements are: residential, commercial, industrial, public facilities, open space, geological and special use.

A tentative goal for recommendations by the Planning Commission for adoption by the City Council of the General Plan is set at six weeks.

Three Injured In Accident At Rose Dr.

PLACENTIA - Victims injured in Tuesday morning's accident at Yorba Linda Blvd. and Rose Drive, are responding to treatment and will soon be released from St. Jude Hospital, where they were taken by ambulance following the accident, according to hospital officials.

Dale Eric Williams 16, 18901 Vista Real, Yorba Linda, his sister, Linda Mai, 14, and Lorrie Janice Murray, 14, 5424 Grandview, Y. L. were injured when the car Dale was driving struck a signpost and a power pole as the group drove to Troy High School last Tuesday morning.

Williams suffered a dislocated hip, and Miss Murray was treated for a broken jaw, and the possible loss of several teeth in the accident.

Yorba Linda Council Again Raises Issue Of Special Service Districts

YORBA LINDA - After denying by a tie vote a motion to conduct in-depth studies of the workings of local library districts and the soil conservation district proposed by Councilman Henry Wedaa, the City Council voted to make copies of a report on consolidation of special districts

available to these groups for their consideration at its regular meeting Monday evening.

Also submitted to the council was a report requested in January on the possibilities of forming a city water department. The report was sent back to staff for further

clarification of the figures presented.

Wedaa has proposed detailed studies of special districts to determine whether a savings to the taxpayer would be possible through city operation of presently operated districts such as library and water service.

The council voted unanimously to end its membership in the California Contract Cities Association on the grounds that membership in the group was not of any value to the city.

A request for a refund of weed abatement charges in 1970 by Andrew Smith was denied. A resolution levying an assessment of nearly \$600 on David Proffitt for abatement of weeds on his property was also approved.

An attempt by Councilman Wedaa to place consideration of an ordinance requiring a vote of the people before a freeway agreement with the state could be signed was defeated.

Dr. John Davis, chairman of the awards committee, congratulates award winners from Fullerton after the recent Disneyland Community Service Awards luncheon. From left are Paul Hart of Titan Tutorial, Lola Jolly of the Childrens League of Fullerton, Lorraine Jones of the Soroptimist Club of Fullerton, Lester McClennan on the Cal State Fullerton Patrons of the Library, and Dr. Davis.

Placentia To Form Citizens Committee On Ecology

PLACENTIA - The City Council has approved a request from the Beautification Commission to form a citizen's committee on ecology. The committee is to study ecological problems in the city and recommend solutions in a report to the Beautification Commission. The commission will in turn send their recommendations to the City Council.

Commissioner Lew Motter, chairman of the ecology subcommittee, stated, "This project is an attempt to involve the citizens of this community in

directing a course of action for saving our environment. No problem will be too small or too large for consideration."

Motter indicated that the committee will be studying clean air, clean water, material waste reclamation, open spaces and youth programs.

The committee has been named CIRCLE (Congress for Insistence on a Reasonably Clean Environment) and is open to any interested citizen. Those wanting to serve should call the recreation and parks office or Chairman Lew Motter at 528-2852.

YL Library To Discuss Building

YORBA LINDA--The board of the Yorba Linda District Library will consider various aspects of its building program at its regular meeting tonight at 8 p.m. at the library.

Included on the agenda are a furniture and equipment report and time table for moving into the new building. Also to be considered is an auditorium policy.

Under new business the board will discuss the date and type of program for the dedication of the new building. They will also consider the resignation of a trustee and the trustee election this November.

Local Teachers Report On Conference

YORBA LINDA - A report from teachers who had attended the recent Good Teaching conference sponsored by the California Teacher's Association accounted for much of Thursday night's Yorba Linda School District board meeting.

The conference centered around accountability, performance and contract, and voucher and budget systems; key terms for subjects which are currently paramount in most school boards considerations.

Ken Darby of Yorba Linda Junior High headed the committee of teachers, representing each of the area schools, which summed up its report by stating that the primary considerations in education today are: how and with what are students and teachers kept busy;

the security of education; proof of the uses of tax money for education; and the maintenance of learning standards.

A gift of two sets of World Book Encyclopedias from the Mabel Paine PTA for use at that school were accepted with the board's thanks. Approval of a meeting of area boards on March 16th to discuss unification was given along with the ratification of the National Defense Education Act

See page 15 for a complete listing of school board candidates in Placentia, Yorba Linda and the North Orange County Community College District.

Also in this issue are a feature on earthquakes by Ralph Newton and a story on income taxes on page 18.

application for 1971-72 which pays for materials in the areas of science, mathematics and history.

The board tabled discussion on the revision of board policy concerning bereavement leave for classified employees as well as the ratification of board representatives for the Fullerton Union High School District study on unification.

The session was closed with action on the tenth annual conference on Individualized Instruction approval being given to send nine district representatives: employment of Mrs. Nancy Schoner as a substitute teacher for grades K-6; and approval of a legislative contact visit to be made to Sacramento by Dr. Sterling L. Fox on March 22 and 23.

Health News . . .

Habitual Arm And Shoulder Pain Can Be Neuritis

It is a common occurrence in Chiropractic offices to have some new patient say, "Doctor, my shoulders and arm have been paining me for seven or eight months. Our family physician has taken X-rays and says there is no arthritis or bursitis. He feels that it is neuritis. I cannot put my arm behind my back."

Dr. Donald Brinkley

I cannot raise it to comb my hair. I can only do a limited part of my work and that with great discomfort. I am constantly taking sedatives. I have not had a night of natural sleep since it first started to pain me. I have had shots. I have had heat and light treatments. I have used different linaments. But nothing seems to make any headway against the constant suffering."

We asked Dr. Donald Brinkley, of the Brinkley Chiropractic Centers, why so many neuritis sufferers delayed seeking Chiropractic treatment.

Is it because they cannot understand the relationship between the spinal column and the pain in the arm?

"If so, we can only restate the fact that nerves which extend into the shoulder and arm have their origin in the spinal cord and pass through openings between the bones of the spinal column. The same anatomical facts apply to other places where neuritis is prevalent," continued Dr. Brinkley, "such as the nerves that extend between the ribs, nerves that extend up over the back of the scalp or even into the legs."

Is this delay because they do not remember having injured the spinal column?

"If so," stated Dr. Brinkley, "it cannot be emphasized too much that

spinal distortions do not always come from a single, traceable injury such as a fall, a lifting strain or collision. Often-times, when a Doctor of Chiropractic shows a patient an X-ray of the patient's spinal column and points out the spinal deviations which the X-ray reveals, the patient will ask, "How could that happen? I don't remember ever having strained my back."

Dr. Donald Brinkley is conducting weekly health lectures at his office at 626 E. Commonwealth, Fullerton, on Tuesday evening at 7:30 p.m. There is no admission charge and the public is welcome.

"Many of the reasons could be summed up in one word, 'HABIT'. For the person who does considerable driving each day it might be the habit of resting the arm on the car door. For the person who works in the factory it could be the position in which he works at his machine day after day.

"The nerves in which neuritis most frequently occurs are so closely related to the spinal column and the probabilities for disturbances of the spinal column to occur are so great that the thought of neuritis should immediately bring thoughts of the spinal column," concluded Dr. Brinkley.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Great Artist Concert Scheduled For Troy

The Troy High School music department will present a guest artist concert on Tuesday, March 9, at 8 p.m. in the Lecture Hall.

Featured will be two noted members of the Brass Section of the Los Angeles Philharmonic, Miles Anderson, trombone, and Mario Guarneri, the trumpet. Anderson is currently on the faculty of San Fernando Valley State College as well as the Claremont Colleges. In the past he has performed not only with the Cincinnati Symphony Orchestra but also as a member of the Les Brown orchestra for two years. Guarneri, like Anderson, is also on the faculty at the Claremont Colleges as well as the California Institute of the Arts. In the past he has performed with the San Francisco "Pops," San Francisco Opera and the New York Philharmonic Orchestra.

Together with the performances of soloists Anderson and Guarneri will be performances by Troy's orchestra, including works by Hoedown and Copland; the band; and the concert band.

"We try to present different soloists on instruments each year," said Mansolino. "Our purpose is to try to get the students, as well as the

public, exposed to outstanding performers," he concluded.

Instructor Terre Karuse, student David Gilliam, PTA President Sal Zavala, and Principal Dave Tansey break ground for the new pylon to be built on the Valencia High School campus.

Construction On Pylon To Begin

Ground breaking ceremonies were held last week at Valencia High School for the P.T.A.

sponsored "Tiger Pylon". Taking part in the ceremony were Dr. David Tansey, principal; Salvador Zavala, P.T.A. president; Terre Krause, construction technology instructor; and David Gilliam, student building contractor. The pylon will be a six sided building with five sides forming enclosed bulletin boards and the sixth side being used as a ticket window.

Plans for the project were completed by drafting students with the specifications being written by technical English students with the specifications being written by technical English students.

Construction boss Gilliam has organized individual teams of students in the construction class to work on different phases of building the project. Mike Blunt's team will layout the building site while Don Echaurria's group will pour the concrete and lay the brickwork.

Christian Womens Club Presents 'Irish Spring'

The Yorba Linda-Placentia Christian Womans Club will be presenting "An Irish Spring," the theme for their March 12 luncheon. The meeting will be held at the Alta Vista Country Club, 777 Alta Vista Ave. in Placentia at 11:45 a.m. Reservations are necessary by 12 noon Thursday March 11.

The speaker will be Mrs. Helen D. Baugh, who travels extensively on this continent and abroad. She is a sought-after speaker in cities across the country and the Yorba-Linda-Placentia Christian Womans Club will be one of the few clubs Mrs. Baugh will be visiting in this area.

For reservations call Mrs. Dennis Moses, 529-3358 or Mrs. Dave Clinton, 528-6299

Try-Outs Set For Comedy

"Jenny Kissed Me," will be the title of Valencia's annual spring play tentatively scheduled for March 27.

Due to a delay in the arrival of scripts, the play may be postponed until some time in April. Try-outs for the production will be announced by drama coach Tim Higgins upon the scripts' arrival.

The comedy revolves around a Catholic girl's school and involves a priest, his housekeeper and her niece.

Selected to work as stage manager is junior Meredith Spicer with Michelle Mullenex named publicity head. Malcolm Jaggli and Gary Anderson will coordinate lighting effects.

Mrs. Charles Bass Holds W W Presidents Luncheon

Mrs. Charles Bass, 1319 Rosario Circle, Placentia was hostess at her home Wednesday, February 24, for a luncheon honoring her board members who have served under her direction this past year with the Welcome Wagon Club.

Mrs. Bass, (Shirley) had decorated her home and tables in bright fiesta colors. The tables, with

bright yellow cloths, were decorated with miniature sombreros and bright candles. The buffet luncheon consisted of Mexican food which had all been prepared by Mrs. Bass who is well known by her friends for her culinary art. Refreshing fresh fruit and coffee were served for dessert.

Guests in attendance were: Marcia Spann; Lillie Myers, Tina Long, Lorraine Lewis, Irene Pebley, Phyllis Loomis, Marty Allen, Barbara Lewis, Joan Shepherd, Corrine Shipp, Alice Towles, Charm Kohlenberger, Dolores Hartzheim, Lois Hlavac, Linda Mello, and hostess Shirley Bass.

Guidance Group Held Luncheon

The monthly bridge-luncheon for Child Guidance was held Monday, February 22 at the home of Mrs. Mona Tate, 1029 Coventry Circle, Placentia with Mrs. Jan Hanna as co-hostess.

Guests were served donuts and morning coffee at the beginning of the play of bridge with a buffet luncheon at the conclusion. The dining table of the Tate home was set with an arrangement of spring flowers as a centerpiece. Winning at bridge were Roberta Stack with first; Barbara Keneipp, second and Phyllis Donaldson, third.

Members and guests in attendance were Mesdames Pat Guffin, Lorene McAteer, Evelyn Koeller, Beckie Curtis, Jan Gray, Eve Williams, Jo. Lieble, Alice Towles, Roberta Stack, Barbara Keneipp, Carol Ehrich, Donna Whitehead, Phyllis Donaldson, Barbara Whitaker, and Jan Hanna and Mona Tate, hostess.

Federation Will Attend Conference

Members of Valencia's chapter of the California Scholastic Federation are busy planning the society's annual conference slated for March 27 this year.

Cal State Fullerton will be the site of the event with Dr. Frank Sullivan of Loyola University acting as keynote speaker.

Valencia's CSF club heads up the letter-writing aspect of the pre-conference preparations and is responsible for notifying participating schools of all plans and schedules.

Over 400 schools will be invited to attend the meeting.

Selected as theme for the conference is "Tomorrow: Is it for me?"

Services Held For Grace C. Crawford

Services for Grace C. Crawford, 69, of 129½ Primrose, Placentia, were held February 26 in the McAuley and Suters Chapel with Rev. B. E. Gebhart of the Placentia Nazarene Church presiding.

Mrs. Crawford died February 23 after a short illness. Burial was in Loma Vista Cemetery. She retired from Firestone Tire after 17 years there.

Survivors are a son, Charles E. Crawford of Placentia, a daughter, Mrs. Tom Leacock of Placentia,

two sisters, Mollie Blackwood of Anaheim and Mrs. Becky Gray of Ethridge, Tennessee, and nine grandchildren.

The change from Orange League play into CIF competition proved to different to the Valencia Tigers mini-squad than any other action during the year.

The scene was the same at the tip off, the smaller

Placentians trying to out jump the taller opponent. (in this case being Ontario. the number 1 ranked team in CIF AA with a 25-1 won loss record.)

Ontario had its version of a super player and his name

was Bob Young. Young managed to collect 31 points in leading his team to a 77-60 win over Valencia.

The Tigers went into the game with a handicap. An injury to Jerry Marmelejo hurt the teams chances on the boards. It showed against Ontario, a team which has all starters over 6 feet, 6'7", 6'4", 6'4", and a pair of 6'2 guards.

The evening wasn't all bad as Sergio Echevaria had his best scoring output of the evening hitting 29 points ripping apart the number 1 ranked teams pair of guards.

The Tigers blew their chances early for a win in

the contest, missing shots, having turnovers and making bad passes in the first quarter led to a 5 point deficit at the end of the period 15-10.

The lead rose to 17 at the half and in the third period the Jaguars moved the lead to 28 points before Valencia could put on their own type of scoring burst.

Using the press in the latter part of the third quarter caused Ontario to turn over the ball and take bad shots. Sergio Echevaria began to pump in points left and right to bring his team within 15. He also kept his club within striking range by tallying 14 in the final quarter.

Cal State Basketball Team Drops 2 Games

Cal State Fullerton's Basketball team dropped both games played last weekend against the CCAA's top two clubs.

Friday evening the team lost to Cal Poly San Luis Obispo 79-76 in a real cliff hanger.

The Titans led 76-75 with 35 seconds to play but Randy Gening of Cal Poly dropped in a lay up and Fullerton couldn't score to win.

Tony Rodriguez led all scorers on the court with 19,

and kept his hold as the Conference scoring leader with a 20.3 average.

Saturday evening CSF was beaten by champion San Fernando Valley State 81-61. The loss dropped Fullerton into a third place tie with UC Riverside.

Mark Ramsey tallied 14 to lead all Titan scorers. Rodriguez only scored 5 to drop his average down to 18.6 points a game. Rodriguez has scored 149 in eight games.

Edgar Cheltenham ended the year with 148 points for a 16 point average.

Arthur Jones finished with an 13.5 average and Mark Ramsey scored at a 11 point clip.

ED Takes Second At Relay Meet

Running in Division IV at the Shorty Smith Relays, the El Dorado track team took home a second place trophy out of ten high schools.

Garey High School of Pomona nipped the Hawk's 21-17, because ED's four man 880 team was disqualified

El Dorado's eight man two mile was first with a time of 8:44. Dave Roy, Tom Menn, Pat Dutzi, and Bill Ironroad made up the team. The Sprint Medlay again took first this year with Chris Jones, Trent Torgerson, Greg Kempton, and Bobby Johns. Kempton, Torgerson, Johns, and Menn also received a first in the Mile Relay with a 3:33.

Ray Millard, Jim Unoplous, Brent Wood, and Roy took third in the Distance Medlay with an 11:26. The disqualified first place team included Dean Brewer, Wayne Miller, Kempton, and Torgerson.

Troy Upset In First CIF Basketball Game

The Rolling Hills Titans, losers of nine games this season, stunned the Troy Warriors 67-61 in overtime at F.J.C. Friday night, quickly crushing the Warriors' CIF title hopes in the 4A division.

All evening long, Troy was out-hustled and out-rebounded by the smaller Titans. The Warriors ran and ran but could never mount more than a four point lead. Greg Huysman, along with seasoned frosh Mark Wulfmeyer, were tops for the Warriors with 23 and 19 points, respectively. Wulfmeyer was hot in the first half as the Warriors took a shaky 33-29 lead into the locker room at halftime.

The lead changed hands several times in the second half with neither team gaining much of an advantage. Rolling Hills

took a 54-53 edge with two minutes to play and the Warriors on the court and in the stands became noticeably nervous. Dave Lingenfelder sunk two from the line to give the Warriors the lead again but 30 seconds later Randy Nakamoto completed a three point play to give the Titans a two point lead with less than a half minute left. The ball came into Wulfmeyer who promptly drove down court and sank a 25 footer to send the crowd wild and the game into overtime.

The Warriors mounted a 61-57 lead during overtime and it looked as if they might pull away. However, Nakamoto stole the ball twice to tie it up 61-61 and from there on out it was Rolling Hills' game.

El Dorado Faces Katella In First Home Tennis Match

Katella High School will meet El Dorado in the Hawk's first home tennis match of the season.

When the Knights were in the Orange League, the two teams usually 'had it out' for the league championship. This pre-season match should be an exciting battle between two rival teams. Yesterday the Hawks met Santiago to tune up for Friday's big match.

El Dorado had two scrimmages against Sunny Hills and El Modena last week. Against the Lancers, El Dorado probably received the toughest

competition they will encounter all season. However the Hawk netmen found an easier trail against the El Modena Vanguard.

According to Coach Bill Clark, Doug Hart and Scott Thrope are doing real good as the first doubles team. "Number five man, Greg Kolwalski, who has just come out in starting to get back into form," added Clark. The leaders of the team are senior Bob Backes, and freshman Dave Sherbeck. They are among the top two tennis players in the Orange League.

Valencia Track To Meet Loara Today

Tiger trackmen are off and running this season.

Valencia hosted Loara yesterday in the second meet of the year. Scores were not available at press time.

Sunny Hills slipped past the Tigers 66-61 in the season's initial contest. Nine Lancer firsts gave them the edge to overcome the Bengal's depth in seconds and thirds.

Valencia managed six first places at the meet. The Tigers won the 440 relay in 45.7. Ruben Rojas had a winning 4:49.3 in the mile race, Rick McCullough took the laurels in the 440 in 51.7, and Valencia's Mike Boaz came in first in the 880 race with a time of 2:05.6.

The Tigers captured two more firsts in the field events. Jim Collins vaulted 13'11" in the pole vault and Alex Covarrubias threw a 143 3/4 discus to win in his event.

Coach Mike Cummins defending champions will compete in four more contests before entering in to Orange League competition March 25. Next week the Tigers travel to Corona for a 3:15 meet on Tuesday.

Class For Handicapped Under Way

The first United Methodist Church on Commonwealth at Pomona in Fullerton recently started a special Sunday School class for mentally handicapped children.

This program is constructed to meet the needs of these children regardless of age or religious denomination.

Under the leadership of Virgil Andre, the children participate in a wide variety of activities including Bible stories, art and also craft ideas.

For further information please contact the church office at 871-4115 or Virgil Andre at 879-5374.

Gresham, Duffie Lead Tigerfish; Face Laguna

Orange League play gets under way today as Laguna Beach swimmers travel to meet the Valencia Tigers at 3:15.

Tiger tankmen suffered defeats last week to La Serna, 60-35, and in a trio meet to Miraleste, 67-28, and Marina, 49-46.

Against La Serna, Valencia managed to capture five firsts. Senior Dave Duffie won the 200 individual medley in 1:13.3 and the 100 breast-stroke race in 1:04.8. Don Gresham gained two first places in the 100 freestyle, 1:01.9, and the 100 backstroke, 1:01. Bob Snyder, Bob Zylus, Charlie Turnbull, and Dave Turnquist teamed together in the 400 relay for a winning time of 3:42.6.

The Tigers only came up with two first place vic-

ories in the meet with Miraleste and Marina Friday. Again, Duffie won the breaststroke in 1:05.2 and Gresham won the backstroke in 1:02.5. Valencia succeeded in gaining depth with five seconds, those coming from Duffie in the 100 freestyle, Gresham in the individual medley, Rick Pickrell in the 50 freestyle, the combinations of Greshams Duffie, Doug Douglass, and Charlie Turnbull in the relay medley, and the team of Snyder, Zylus, Pickrell, and Turnquist in the freestyle relay.

Upcoming meets include the second league meet with Sonora Wednesday, March 10, and a non-league race with Troy Friday of that week.

Troy Tennis Squad Has Successful Scrimmage

Troy's netmen opened their 1971 season last Friday afternoon with a successful scrimmage against Edison. Coach Norm Davis was obviously pleased with the performance of Glen Nakazawa, John Simmons, Gary Weinman, and Earl Lund.

These players, plus Steve

Kettenburg, Charlie Hobson, Gary Peaslee, and Bruce Campbell, will try to lead Troy to its first Freeway League championship ever.

The Warriors have been pegged to take the loop but will face stiff competition from perennial powers Fullerton and Sunny Hills. The Warriors face El Dorado Friday in Placentia.

Tigers Lose To Lancer Baseballers

Valencia's Varsity baseball team started off the 1971 season on a sad note losing to Sunny Hills High School 8-0.

Mark Ackerman of Sunny Hills threw 5 1/3 innings before allowing one hit. Valencia could manage only 2 hits during the entire contest.

Friday afternoon at 3:15 the Tigers will meet Fullerton High on the Indian diamond.

Tuesday the Bengals also bus to Mission Viejo for another 3:15 contest.

E D Boosters To Meet At High School

The El Dorado High School Booster Club will meet today, March 3 at 8 p.m. at the school library. Marvin Stewart, El Dorado principal, will speak on "New Happenings At El Dorado."

School board candidates have also been invited to attend to be available for questions from group members.

The nominating committee for the selection of new officers for next year will be elected.

Solesbee Is Home After Operation

Delmar Solesbee of 107 Main St., Placentia is convalescing at his home following major surgery recently performed at St. Jude Hospital. Mrs. Solesbee reports he is resting comfortably but will be confined to home for several weeks.

Hawk Batmen Begin Season

Playing two games this week, the El Dorado baseball team will officially begin the 1971 season.

Last week the Hawk ballplayers got in shape playing scrimmages against Sunny Hills and El Modena.

In the two scrimmages El Dorado made a good showing. Coach Tom Byrnes felt his team was hitting the ball well. However the team must iron out its reactions on certain defensive plays. This is Byrnes first year as baseball coach as he is also the athletic director for El Dorado.

Starters from the scrimmages were catcher,

Gene Kleinschmidt, Rod Ullah at first base, Larry Kaplan, second base, Mike Healy third base, and Tony Madau at shortstop. Outfielders include Greg Pritchett in left, Bob DeWeese right, and Jeff Mathieson in center field. Phil Hendershot and DeWeese have been doing the pitching for the season.

Hendershot, DeWeese, Matheisen, Healy, and Ullah are the returning lettermen. Kleinschmidt, Kaplan, Madau and Pritchett were all Junior Varsity starters last year.

Following yesterday's contest with Santiago the Hawks face Katella there this afternoon at 3:15. Thursday Lowell will invade the Hawk diamond followed by a trip to Servite Friday.

Hornets End Season With Good Record

Fullerton Junior College basketball team ended the season with probably the best won-loss record in the whole state at 27-5, but will be absent from this years state playoffs.

The Hornets completed the season by beating Orange Coast 100-81 in the game with no meaning.

Gary Berg led a group of relaxed Hornets with 20 points. Steve Chidley added 19 and Rick Aberegg put in 16.

Cal State Wins LA Meet

Cal State Fullerton's Track team beat Cal State Los Angeles 89-56 in the first meet of the year here at Fullerton last Saturday afternoon.

Mark Covert, NCAA College Division National Champion in the 3 mile, won first place in that event setting a new school record with a time of 13:50.5.

Cal State Swimmers Win CCAA Championship Meet

Cal State Fullerton's swim team won the CCAA swimming championship at the Titan pool last Saturday afternoon.

The favorite for the meet was defending champion San Fernando Valley State.

Fly Fishing Classes Will Begin Soon

The Recreation and Parks Department of Placentia, is sponsoring a series of classes in the art of fly tying and fly fishing. The adult class will meet at Kraemer Club House in Kraemer Park. It will start Monday, March 17 at 7:30 p.m. and continue for 8 weeks. Registration fee for this course will be \$4.50. The instructor is a well qualified fly tyer and fly fisherman and has taught previously for the Cities of Brea and La Habra.

Valley had been the only team to defeat the Titans in regular CCAA action.

Fullerton outscored San Fernando 309.5 - 305.5. The difference was Robin Linfor's second place points in the three meter dive competition which meant by winning the 400 meter relay the Titans would take the championship.

Unloading trees to be placed in the Yorba Linda Service League's tree bank are, in back James Matych, center Joleen Matych and Mrs. John Mossman, and in front Mike Machado, son of Mayor George Machado.

YL Service League Is Growing Tree Bank

The Yorba Linda Service League is again repeating their very successful tree bank. In 1962-63 the League maintained and watered 1200 trees which were then given to schools, churches, and members of the community.

This year 350 trees of the Canary Island pine and the Liquid Amber varieties were placed on the site donated by Mr. and Mrs. Roy Gant, on February 27. A third type of tree will be added in the late spring.

Service league members will be responsible for the watering and care of the trees until they are large enough to donate to the community.

The Service League has published a pamphlet on those trees best suited for this area. It is available at the Yorba Linda City hall. Also formed by the organization is a Tree Promotion Committee intended to encourage the planting and preservation of trees in Yorba Linda.

Sorority Now Planning Annual Fashion Show

The Delta Beta Nu chapter of the Beta Sigma Phi sorority is planning their annual fashion show to be held at the Los Coyotes Country Club in Fullerton on March 27.

The theme is "L'Affair Tres Chic-II" and will feature Mrs. Florende Smales co-ordinating the fashion show. The decor will be spring floral bouquets and the hostesses will be

dressed in matching jumpsuits with pastel print overshirts.

Tickets are available from the chairman, Mrs. Kenneth Pugh, 524-1535. The tickets are \$5 with the profits going to benefit multiple sclerosis and cystic fibrosis.

Canadian Powers To Visit Here

Mr. and Mrs. Chester Powers of North Hatley, Quebec are spending a two months winter vacation with their son and his family, Mr. and Mrs. Glen Powers of Patrician Lane.

The senior Powers have taken the opportunity to tour points of interest in the United States. They visited the capitol at Washington, and spent a few days in New Orleans enjoying the Mardi Gras festivities before driving west.

When they begin the tour back to the East, they expect to travel through the northern part of the United States.

Varvellos Win Trip To Europe

Ed Varvello won a trip to Europe for himself and his wife Lil by shooting a hole in one on the #5 green at the Yorba Linda Country Club recently. Having received his membership card to the national Hole-In-One Club just 10 days before his ace, he not only won the trip but received \$200 for his victory celebration.

The Varvellos chose the 10 day trip to London, Paris and Rome from a list of choices which also included Hawaii, Bermuda and the Caribbean.

Delores Concoy also scored a hole-in-one at the YLCC but did not win the prizes as she joined the Hole-In-One Club two weeks after she made the perfect shot.

Troy Dramatists Will Stage 'All My Sons'

The deeply moving drama, "All My Sons," by Pulitzer prize winner Arthur Miller, will be performed by the Troy High School Drama department March 3-6.

"All My Sons" is concerned with the fortunes of the Keller and Deever families during World War II. The intensely dramatic story builds to an electrifying climax displaying the reactions of Chris Keller to his father, Joe Keller, the manufacturer of defective airplane parts.

Portraying the lead role of Chris Keller will be junior John Cruz. The other important characters will be portrayed by Anne Payne and Gail Johnson, as Ann Deever; Dale Blansett as the father, Joe Keller, Jean McNelly and Paula

Bergman are double-cast as the mother, Kate Keller.

Other supporting members of the cast are: Craig Vitamanti, Blake Birdsall, Denise Gragg, Nancy Tubbs, Tom Crowell, Marcy Barwood, and Teri Snyder.

Times for the play are 7:30 p.m. on March 3 and 4, and 8 p.m. on March 5 and 6. The performance will be held in Drama Room 531.

Students End Study With 'Hawaii Day'

Second and third graders of Brookhaven Elementary School held Hawaii Day recently, bringing to a conclusion a six week study of the fiftieth state.

The activities of Hawaii Day are similar to those of Aloha Week on the islands. Re-creation of legends, hula demonstrations, lei making, group singing, and the traditional luau were a part of the day's events. The children and teachers were in Hawaiian costumes and placemats were made of original Hawaiian designs.

The luau was prepared with authenticity in mind.

Mrs. Groth Entertains The Group

Mrs. Jo Groth, 115 Santa Rosa Way, Placentia entertained The Group, Thursday evening with a dessert bridge party at her home. Punch and coffee were served during the play. Claire Herr received first prize, and Barbara Snyder second.

Members of The Group attending were Mesdames Beverly Johnson, Helen Patton, Angela DeJesus, Carole Gavel, Dorothy Fiddler, Claire Herr, Dorothy Ethridge, Barbara Snyder and Jo Groth, hostess.

Kappa Delta Sets March 3 Meeting Day

The Orange County Kappa Delta Alumnae Association will meet Wednesday, March 3rd, at 7:30 p.m. in the home of Miss Carolyn Schrock, 16502 Alliance, Apt. B, Tustin, according to Mrs. George Spurrison of Placentia, president of the group.

The group will have as guest speaker Miss Puri Villares, foreign exchange student from Bogota, Columbia, who now attends Saddleback High School. All Kappa Delta alumnae are welcome.

The diners ate luau chicken with rice, sweet potatoes, poi, fruit salad, huppia (coconut pudding), and macadamian nuts.

Service Awards Bestowed

Honorary Service Awards were presented at Brookhaven Elementary School Founders Day Program recently to Mrs. Vera Graves, Mrs. Leida Kindelberger, and Mrs. Mary Tucker.

Mrs. Graves is a third grade teacher at Brookhaven and has made many contributions to curriculum through the writing media. Along with having a family of three she has also found time to make some TV commercials for the hard of hearing.

Mrs. Kindelberger helps with youth groups, including scouting, and has been giving instruction in art. She works as a lunch supervisor at Brookhaven School.

Mrs. Tucker is the secretary at Brookhaven. Previously she has worked in the office, staff of the Placentia Unified School District.

Fred Lamb Will Sing In Opera

Frederic P. Lamb made his first public appearance as a singer at the age of 6 years when he sang a solo in a school play and has been singing ever since. He has been given the male lead in Mame, the Buena Park Light Opera, and is in constant rehearsal.

Lamb is a baritone singer, and will be heard in the opera on March 19 and 20, again on March 26 and 27, and April 23. Lamb has been connected with the City of Placentia in several capacities and resigned recently to go full time to college to get his Masters degree.

Among students participating in Brookhaven School's Hawaii Day recently were, front Dennis Eckhart and Tony Harris, back from left Natalie Nelson, Margaret Krishner, Susan Chunn, Pamela Wong, and Lauren Lindsey.

Local Jaycettes To Sponsor Bake Sale

The Placentia Jaycettes, auxiliary of the Jaycees, will hold a bake sale on Saturday, March 13 in front of the Safeway Store, 1240 Yorba Linda Blvd., Placentia from 9 a.m. to 4 p.m. Homemade delicacies ranging from maple cakes, apple pies, and Swedish pastries to specially decorated St. Patrick's Day items will be offered for sale.

Proceeds of this bake sale will be donated to Woodcrest School to help in their purchase of a Visual Instant Scanning Typewriter Adaptor (VISTA). Marion Mills, North Orange County President of

the Parents Group for Handicapped Children and Adults and Mrs. Joan Sessa recently presented a program on the VISTA to the Jaycettes.

VISTA is an adaptor, working on the principle of a pinball machine, fitting into an electric typewriter. Handicapped individuals are able to communicate by applying the slightest amount of pressure to the unit.

Local Chiricahua Y Indian Guide winners in the recent Pinewood Derby were, from left, Scott Leifheit, second in second grade; Tom Greenwood, second in first grade; Johnny Balducci, first in first grade; and Mike Muttart, first in second place.

Fullerton Trailer Club Travels Into Desert

Twenty-eight trailers of the Fullerton Trailer Club weathered the sand storm at Desert Hot Springs when the members had their February outing.

Wagonmasters Henry and Faye Schimming; Bob and Madelene Hainlin; and Dan and Tressa Nichum kept

everyone occupied in the Sky Valley Mobile Park club house by providing entertainment consisting of a pot luck dinner, a "Truth and Consequences" game and with a community sing. Doug and Leota McGill, Yorba Linda, provided the music.

Local Indian Guides Win Pinewood Derby

The Chiracahua "Y" Indian Guide Tribe, representing Wagner Elementary School, stole the show at the annual Huya Nation Pinewood Derby Races held at Rose Drive School, Saturday February 20.

Young Blood (Johnny Balducci) took top honors for first graders in the speed run, then went on to best the second and third grade winners with his gold Ford number 10. Blue Eagle (Tom Greenwood) placed second with his orange rear-engine Offy.

Winner of the second grade contest was Swift Arrow (Mike Muttart) in his sleek Lotus, while runner-up honors went to the red Ferrari driven by Little Buffalo (Scott Leifheit).

Chiracahua Chief Strong Heart (John Balducci) said that the showing once again served notice that the new tribe is one to be reckoned with at the annual Longhouse Pow-Wow to be held in Buena Park in May.

The tribe was also the winner of the annual fire-safety poster contest.

Other Chiracahu little braves entered in the Derby included Rising Sun (Johnny McLuckey), Black Hawk (Billy Bailey), Swift Foot (Larry Bellizzi), White Cloud (David Hill) and Little Flame (Todd Gardner).

Installation Of Officers Scheduled

Newly elected officers of the Yorba Linda — Placentia Welcome Wagon Newcomers Club will be installed at the Palms, 110 Orangethorpe, Anaheim on March 10.

Members and guests are invited to come out and welcome the new officers. For reservations, phone Mrs. Pete Shepherd, 528-9726. Cocktails are at 11 a.m. and luncheon is at noon.

Baby Shower Given To Mrs. John Koeller

Mrs. John Koeller, 5962 Sandra Drive, Yorba Linda was honored Tuesday evening, February 23 with a "Blessed Event" shower given by the faculty of Laurel School in Brea. The party, in Brea, was held at the home of Mrs. Flora Henderson.

Individual ice creams in the form of booties and a cake in the form of a

sweater and bonnet were the attractive centerpieces on the pink and blue table. The cake was decorated by Mrs. Alma Earl.

Games were played, depicting the coming event, with prizes awarded to Mrs. Peter Koeller and Miss Michelle Morgan.

Mrs. Koeller (Sharon) is the daughter-in-law of Mr. and Mrs. Herbert Koeller, 16341 Shadburn, Placentia.

Ruby Drive PTA To Sponsor Fiesta

Ruby Drive's PTA will host its first fiesta-carnival "Fiesta de los Ninos" March 19 from 3:30 to 8 pm

AAUW Club Will Host Fashions

Following the theme, "March Into Spring," Placentia - Yorba Linda branch of the American Association of University Women will hold its third annual evening dessert-fashion show Thursday, March 4, 7:30 p.m. at the Holiday Inn in Fullerton.

Co-ordinator and commentator for the evening is Mrs. Florence Smales. Proceeds go to the AAUW fellowship fund, which offers financial aid to qualified female graduate students.

Aiding Mrs. Brandt in planning the event are Mrs. Richard Landfield, decorations; Mrs. Adin Capron, door prizes; Mrs. Jack Burnip, programs; Mrs. William C. Smith, favors; Mrs. Russell Boveia, music; Mrs. Donald Alves, publicity; and Mrs. Frank Hamm, hostess.

Tickets may be obtained from Mrs. Joseph Schramm, 5722 Casa Loma, Yorba Linda. Both members and non-members are cordially invited to attend.

Arron Neel Joins Behle Family Feb 20

Judy and Roger Behle recently celebrated the birth of their son, Arron Neel, on February 20 by placing a twenty-foot sign proclaiming "It's A Boy!" across the front of their home at 1107 Cherry Hills, Placentia.

Mrs. Behle is a former Wagner school teacher while Mr. Behle owns the "B.C. Control Systems" business in Placentia. Both are presently serving as the counselors of the Valencia Methodist Youth group.

Arron, a sturdy 8 lbs. and 15 oz. at birth, will join brothers Roger, Jr., 3 and Curt, 2.

Local 4-H Clubs To Hold Demonstration

Demonstration Day for the three 4-H clubs of Yorba Linda is scheduled for March 27, according to announcement made last week.

Growth of the original 4-H Cloverleaf club made it necessary to formulate two other clubs in the Yorba Linda area, states to Clement Leiber, director of that club. There are 100 boys and girls active in the Yorba Linda Cloverleaf Club, which meets the third

Tuesday of each month at the Yorba Linda Woman's Club.

Yorba Linda Vecinos 4-H meets at the Valencia High School Ag farm the second Tuesday with R. B. Horan director.

Mrs. Robert Huff, a 14 year veteran of 4-H club work, directs the Yorba Linda Kountry Kultivators the first Tuesday of each month, at Orchard School.

Friends Name New President

Members of the Placentia Friends of the Library met recently to elect new officers for 1971 with Juanita Godwin named president.

Late Filings Increase School Candidate Field

Late filings increased the number of persons running for positions on local school boards considerably with 24 now seeking four posts in Placentia, two seeking four positions in the North Orange County Community College District.

Candidates by district are:

Placentia Unified School District (three positions of four years each, one of two years) — Candidates for three long terms: Joshua "Josh" White, 513 W. Center, Placentia, insurance sales manager; Sal Zavala, 700 Moonbeam, former Placentia Unified School District trustee, presently on the Community College District, NOC Board of Trustees

Flaurine Iola Beckius, 2204 E. Briarwood, Anaheim, housewife; Russel W. Boveia, 919 Gehrig Ave., educator; Robert E. Crescenti, 2034 Delford Ave., engineering director, U.S. Navy; Robert W. Hill 1907 Clemens Drive, teacher; Howard Topp, 1324 Limerick Drive, Placentia, engineer; Bruce E. Sharp, 1500 Rogue St., Placentia, engineer; Leo Francis Richards Jr., 1719 Concerto Drive, Yorba Linda, advertising executive; John A. Heiertz, 2958 Greenhedge, Anaheim, engineer; Jay Rowen, 225 Platte Way, no occupation given; William A. Yates, 1707 Sierra Bonita Drive, Placentia engineering management; Bruce R. Fink, 2020 Tweed, Placentia, attorney; John D. Balducci, 4861 Hamer Drive, project management; Roland L. La Berge, 19641 Crestknoll Drive, Yorba Linda, manufacturer's representative; Bradley J. Lantz, 1918 Clemens Drive, Placentia teacher; Jaems William Eyre, 1701

McCormack Lane, Placentia, teacher.

(One position of two years) — Leon Korba, 1397 McKenzie Drive, engineer; Robert A. Mitchell, 3154 Real Drive, Apt. 4, Fullerton, self-employed; Frank Freeman, 1532 Crowley Way, Placentia, sales manager; and Howard T. Herbert, 822 Carina Ave., Placentia, telephone executive; Richard Ford, 212 E. Cimarron Ave., Placentia, manager, quality engineering; James E. Cook, 436 Rumsey Place, Placentia, public school employee; Anthony A. Morales, 19581 Larkridge Drive, Yorba Linda, self employed.

Yorba Linda (two positions, four years each) — Gene DeGaine, (Inc.), 1869 Buena Vista; Gerald Rost, 16932 Orange Drive, projects manager.

Community College District, North Orange County (four positions of four years each) — Melvin D. Hilgenfeld, (Inc.), 804 W. Broadway, Anaheim, Area 1; Felix S. LeMarinel (Inc.), 122 N. Carousel St., Anaheim, Area 1; Rosann C. Roberts, 16851 Sage Drive, Yorba Linda, homemaker, Area 3; Mary Pat Toups (Inc.), 3021 Arbol Drive, Fullerton, Area 4; Ross E. Curry, 1115 W. Chateau Ave., Anaheim, retired accountant, Area 1; Robert G. Hawthorne, 5061 Siesta Lane, Yorba Linda, engineer, Area 3.

White Collar Tax Law Explained

(This is the fourth in a series on ways you can save on your Federal income tax returns this year. The articles are written by Henry Block, president of H & R Block, Inc.)

White collar workers frequently have felt somewhat neglected in past years when they filled out their Federal tax returns. Many tax saving deductions which were available to other kinds of workers were denied to office employees.

Although provisions granting relief to white collar workers have been in effect for some time, there are many people in this category who are not taking advantage of their rightful tax deductions. While these deductions are available to all qualified taxpayers, they apply primarily to white collar workers.

DEDUCTION FOR TRAINING

If the goal is right, cost for special educational training can be deductible. If the training is primarily to increase your proficiency in your present job, or if it is required by your employer, your costs will probably be deductible.

For example, an office worker is in charge of programming computers in the accounting department. His employer expects him to keep up with developments in the computer field, so he takes a special course. The cost of the course, to the extent it is not reimbursed by his employer, would be deductible. A man in the

sales department in the same company wants to get into computer work, so he takes the same course. The cost of the course would not be deductible for him because it does not apply to his present post.

MAYBE CAR EXPENSES

An office worker cannot deduct his car expenses for transportation to and from work. But if he is required to run errands for his employer or to drive his car between job locations and he is not fully reimbursed for these expenses by his employer, they would be deductible.

DEDUCT SUBSCRIPTIONS

Office workers can also deduct subscriptions to professional journals relating to their work, membership fees in professional organizations, and of course, any charitable contributions made at work. Fees paid to employment agencies to find employment are also deductible.

MOONLIGHTERS

Many people take second jobs or "moonlight" in order to supplement their income. Such moonlighting can create special tax situations that are often misunderstood. For purposes of withholding, each employer is required to withhold taxes from you as if that were the only job you held during the year. This is true even though you may be making only \$20 per week. On a job paying this amount there would be no withholding for Federal income taxes. Your annual wage would be only \$1040

and since a single person pays no tax until his income reaches \$1725 there would be no tax liability.

Of course in your case this money is added to the salary you receive on your regular job and the total amount is taxed. Assuming you claim your normal amount of exemptions on your regular job your withholding there would be sufficient to cover your tax liability if that were the only job you held during the year.

Combined with your part time earnings you may discover that you owe a balance of several hundred dollars to Uncle Sam come April when you file your tax return. In order to avoid the possibility of this happening there are several possible courses of action open to you. You could claim zero exemptions on your part-time job.

If this is not sufficient then you could ask your employer to withhold a greater amount from your pay each week. Another alternative would be to file a declaration of estimated tax, making quarterly payments to the government in the approximate amount of your additional tax liability.

In any case the best procedure to follow is to sit down, estimate your total income and deductions and calculate roughly what your tax liability will be at the end of the year. Then, after figuring your total withholding from your regular job, it is a fairly simple matter to determine how much additional tax should be paid to the government.

Another point to remember is that if your regular job pays you more than \$7800 you may have a credit for excess F.I.C.A. The maximum amount that can be withheld from your pay for social security is \$374.40 (4.8% of \$7800).

Pictured is the "West Covina Teens" singing group which will sing at the Yorba Linda Faith Baptist Church March 7 at 6 p.m.

Musical Group To Sing At Faith Baptist Church

"The West Covina Teens," a contemporary musical group, from Bethany Church in West Covina, will be appearing at Faith Baptist Church of Yorba Linda on Sunday evening, March 7 at 6:00 p.m. The group has a repertoire of songs ranging from contemporary folk music to classical and sacred numbers.

This chorale is under the direction of Mr. Gordon Borrer, who is a graduate of Biola College and has a Master's Degree in music from Cal State of Los

Possible Method For Determining Causes Of Earthquakes Outlines

By R. W. Newton

In these days of distress I can think of but three causes for an earthquake. Beyond question, they are caused by pressure from one or a combination of them.

First we have the highly scientific theory of a shifting of the earth's core in its plastic envelope; this is entirely out of our control, and I reject it.

Second we are told that there is a measurable sinking of the Atlantic coast and a rising of the Pacific causing some disturbance of an unknown nature, that too I must cast aside.

But number three has all the forces necessary to cause earthquakes. They are well known to us if we are willing to spend the time and money necessary.

Let me go into detail so that you will understand what we are trying to accomplish. Our quakes seem to be most prevalent in a district that contains the most faults. A fault is a crack in the earth's crust, not always visible and of unknown dimensions. If the crack has opened a sufficient number of times, the space between the walls is filled with grown material, small ones perhaps you have even filled in yourself.

The force that is the cause of these ruptures is water. If you fill a closed vessel partly full of water and start a fire under it, some interesting things take place, as the water becomes hotter and lighter and the vapor denser and heavier. Now this thing cannot go on indefinitely. There comes a time when the water is as light as the steam and the steam as heavy as the water. This is known as the critical point and according to "Marks" is at 706 degrees F and 7,200 pounds of pressure. We can go a little beyond this point and the

mixture will disassociate into oxygen and hydrogen.

Now let us return to our story. Let us pour water down our fault. The more water that goes down the greater the pressure and the deeper it goes the hotter it becomes until we reach a condition where it again erupts. Its major force is lost in the water sands (and has lost some of its force) but shortly it will drive upward again. This usually becomes weaker as time goes on until the fault seals itself off.

It is up to us to use better material for our cement between the fault walls than sandy water, and keep track of what is going on downstairs. And now for the big Project:

First we must drill a well within the walls of one of those faults. I never heard of an oil man drilling a well in a fault although he may use them as a sounding board to locate an oil structure, a trick that we may have to do if we lose our fault. One thing will be in our favor. The faulted material is shattered and should dig easily while the walls of the fault should be fairly hard except the water sands, and these I suggest we seal off thoroughly.

I recommend that a fairly large hole be drilled for reasons hereafter explained.

A special drilling mud that will drive well back along the walls of the fault should be used and should endeavor to cement the walls together as there is nothing for unknown distances attaching the walls to each other.

When we have reached the depth we desire, we will set a string of 5" or 6" casing with centralizers every two to three hundred feet, and the bottom perforated with at least two baskets and a disc at the top of the perforations. Now the drill mud should be circulated out and a substance such as used at Wilmington installed to protect out 5" from minor

shocks (just how effective this would be we will have to find out. Most certainly to set it in concrete would be disastrous.)

We should now take a complete picture of the hole to use as a guide for future pictures say once a month. Now start swabbing out any fluid in the 5" periodically stopping to see where our fluid remains stationary or it may be that we can swab the hole dry and force the cementing fluid back into the fault and cement it together again even by stages.

We hope to stop the water from sinking into the fault and the fault from vibrating. Directional pictures should be made every 100' as the drilling takes place. These will give us the original position of our bore and these pictures should be repeated every month or so to tell us if we are drifting from the original picture.

If we find that the water is rising we may have a long swabbing job before we lower the water level to a point near the bottom of the well, and then comes the big experiment.

We will pump plastic material into the space between the walls of this fault and when it has set up it will seal the walls together once more and we would hope to stop the water from sinking into the fault and the fault walls from vibrating.

We are now ready to drill another well farther along the fault line.

If we can determine the cause of earthquakes, we can determine a cure for them and no matter what the cost, it is worth it.

I have written this article to give the uninformed some idea of the general procedure necessary to accomplish our main objectives, the stopping of the water and the healing of the wounds in the cracks we call faults. The actual procedures will have to be determined as circumstances dictate.

Hawk Writers Win Honors At Contest

El Dorado's award-winning journalists did it again as they tied for the sweepstakes award at the Orange County Journalism Educational Association on-the-spot contest Saturday, February 27.

Both ED and Sunny Hills accumulated the same number of points, and they will share first place. Fifteen schools competed in the annual contest, held this year at Orange High.

Diane Savino sparked the Hawk team with her first place feature story. Penny

Moffet placed second in the same category, and for their efforts both girls received a trophy.

Joe Barrese placed fourth and Dan Filie placed fifth in sportswriting, while Margaret Storil took eighth place in newswriting. These three writers earned certificates.

All five journalists will now travel to Beverly Hills High April 24 for state competition.

Janet Thomas, a senior at Valencia, placed second in the editorial division and will represent VHS at the state contest.

AFS Group To Present Mrs. Newton

Mrs. Winifred Simpson will present a fine arts seminar, "Stories From Denmark", Sunday evening March 14 at 7 p.m. in the El Dorado High School Lecture Hall.

The donation of \$1 will be donated to the American Field Service program serving Valencia and El Dorado High Schools. The program makes possible the attendance of foreign students at local campuses.

For tickets call Mrs. Hart at 528-1676 or Mrs. Fredericks at 528-7485.

Jackson Services Last Week

Mrs. Esteleen Antinoro of Corpus Christie, Texas, was called to Placentia last week by the death of her father, Charles Reese Jackson.

Mrs. Muriel Brown of Placentia is a daughter of Mr. Jackson, as is Ella Reese Shelton of Anaheim. Surviving, also, is his wife Vertie.

Interment was Friday at Westminister Memorial Park. Mr. Jackson was a resident of the Orange County area for many years, and was connected with the City of Placentia in its early days.

Esta columna se place en continuar las publicacion de una serie de articulos en el habito de fumar y sus efectos. El primero de la serie salio en la edicion de la semana pasada.

Aun no se ha provado que el cigarrillo sea causa directa a enfermedades del corazon, pero estudios han revelado que el fumar contribuye a acelerar el desarrollo de enfermedades de la arteria coronaria, pudiendo causar ataque al corazon.

El tabaco contiene nicotina que actua en el corazon, los vasos sanguineos, el canal digestivo, los rinones y el sistema nervioso. Tambien contiene minumas cantidades de brea y otras substancias que irritan principalmente los tubos bronquiales pudiendo asi causar cancer. El tabaco contiene tambien pequenas cantidades de monoxido de carbono y arsenico presentes en el humo. Noventa porciento de la nicotina se absorbe por el cuerpo cuando se inhala el humo; diez porciento se absorbe por el cuerpo cuando no se inhala el humo.

Se han hecho experimento en personas fumadoras y se han observado los siguientes sintomas: La presion de la sangre aumenta, el corazon palpita mas rapido y los

vasos sanguineos de los dedos de los pies y las manos se reducen.

El fumar es muy peligroso en aquellas personas que sufren de enfermedades del sistema vasculario (Buerger's Disease) que afecta la circulacion de los dedos de los pies y manos. Esta enfermedad afecta mas a la persona que fuma. Puede ser arrestada pero si el paciente vuelve a fumar la enfermedad re-aparece. Es tambien peligroso en las personas que sufren de arteriosclerosis (endurecimiento de las arterias de piernas y pies). Cancer de los pulmones aparece mas frecuente en personas que fuman. Continuaremos proxima semana.

Preparing for the Yorba Linda Musical Arts Society bridge luncheon are, from left, Mrs. Donald Spackman, Mrs. Myron Eckhart, and Mrs. Grant Carter. The event will be held March 16.

YL Musical Arts Club To Host Bridge Luncheon

The Musical Arts Society of Yorba Linda will hold its second annual bridge luncheon on March 16 at 9:30 a.m. at 5182 Ohio St., Yorba Linda. Proceeds from the event will go to musical scholarships.

Among the attractions at the luncheon will be

clairvoyant Addie May Jardine, who will give tea leaf readings. Joyce Fliffe, a local artist, will have her work on display. Other card games will be available for non-bridge players.

Tickets are available by calling 524-5275 or 524-9494.

Rogers To Speak To Yorba Linda Republican Women

Thomas C. Rogers, chairman of Republican Central Committee will be the guest speaker at the Yorba Linda Federated Republican Women's Club, to be held March 10th, at 10 a.m.

Rogers will discuss happenings of the State Central Committee at the

State Convention held in Sacramento. Reapportionment will be the main topic.

The meeting will be held in the home of Mrs. R.G. Woidneck, 19076 Oriente Drive. Refreshments will be served. All interested women are invited to attend.

Dining Out and Entertainment Guide

Edward Ansell and his charming wife Lili brought a bit of Old England with them when they came from London. At the Jolly Knight you can see a number of heraldic objects such as armor, shields, lances and maces used as clever decor

in this old England setting.

The Andells host their dinner guests with a varied menu of meats and seafood. The prices are moderate. Pan fried chicken simmered in wine is \$3.50. Sea food choices are Eastern scallops, jumbo shrimp, halibut, and Catalina Swordfish for \$3.95. The most popular item on the menu is the house speciality, a Steak and Lobster combination for \$6.50. Each dinner includes chilled relishes, soup or salad, and hot garlic toast.

The Jolly Knight is Freeway close. It is a few blocks east of the Highway 39 off ramp of the Garden

Grove Freeway, at 8666 Garden Grove Blvd. Garden Grove.

One of the most refreshing sounds to strike the eardrums is the music of the "Recession Resurrection Band" which is appearing Friday nights at "Zio's", in Placentia Plaza. The six to ten piece band is composed of a group of

Youth Will Participate In Meetings

Youth groups from Yorba Linda will begin participating in City Council meetings.

Young members from various local organizations will lead the City Council in the pledge of allegiance and invocation beginning each meeting.

Youth organizations including church groups, boy scouts, girl scouts and 4-H clubs will join City Council meetings beginning March first. The youth involvement will continue at each regularly scheduled meeting of the City Council on the first and third Mondays of every month.

The youth involvement program will provide an opportunity for young people to become involved in local government.

French Club Sets Dinner, Play Preview

A French dinner, complete with hors d'oeuvres, will be served Thursday, March 4 at the El Dorado Faculty Lounge by the French Club.

The meal begins at 6:30 p.m. Students will cook and serve the complete dinner. All of the servers will be costumed, and as a bonus the French Club will preview the first five scenes of "Sganarelle", the French play scheduled for later this month.

Lutheran Pastor Honored on Ordination Date

What was supposed to be a well guarded family secret, turned out to be a gigantic surprise event, due to the alertness of a secretary. Mrs. Helen Wigginton, who made a note in her minutes a year ago that the 35th Anniversary of Pastor Theo. Schoessow's Ordination would be a calendar event.

In less than 10 days, the

entire St. Stephens congregation was alerted through the officers of the Lutheran Women's Missionary League and the officers of the Congregational body for a 'surprise' on Sunday evening at 6 P.M. And that it was. Through quiet schemes and a well planned ruse, the Pastor was brought to the

darkened church to be greeted by friends and loved ones "SURPRISE" as all the lights were turned on. A

Lawrence Family Is Leaving

Calvary Church in Placentia will be holding a commissioning service for the Hobert Lowrance family, missionaries with Missionary Aviation Fellowship in Fullerton. Following the service at 6:30 p.m. there will be a farewell reception.

The Lowrances are leaving sometime in March for Bandung, Java, Indonesia where Rev. Lowrance will be serving as Vice President in charge of Asia Missions.

delicious supper was served in the Parish Hall which was followed by a program and gift presentation in the Church Sanctuary.

Spearheading this outstanding event was LWML President Mrs. Marian Pawluk and Congregational President Frank Brenner who truly enjoyed the support of a loving congregation and willing aids, especially the Board of Elders. Chairman of Elders Mr. James Woods was the superb Master of Ceremonies.

Pastor Theo. Schoessow was ordained by his father, the late rev. Theo. Schoessow Sr., at Grace Lutheran Church in Los Angeles just 35 years ago. His entire ministry to this date has been with three congregations.

Baptists Will Hear Missionaries Speak

The First Baptist Church of Placentia has set aside this week of February 27 through March 7th for special missionary emphasis. Last Sunday, Rev. Loran Long, Field Administrator for Mexican Medical, Inc., spoke at the morning services. He has pioneered a missionary work in San Quintin, Baja, California, which has developed into a growing medical program with the assistance of concerned doctors in the Southern California area.

Tonight, Miss Bonnie Courtin will speak at the Wednesday evening meeting following the Fellowship Supper at 6:30 P.M. Miss Courtin has just returned from Ethiopia where she has served as a physical therapist at the Gendebert leprosarium under the Board of Foreign Missions of the Baptist General Conference.

Rev. Roger Youngquist will speak next Sunday, March 7th, at both morning services, 8:30 A.M. and 11:00 A.M. He is the executive secretary of the Southwest Baptist Conference, the regional association of the Baptist General Conference.

Charles Fineberg To Lead First Baptist Conference

Dr. Charles L. Fineberg, Dean of Talbot Theological Seminary, will lead a weekend prophetic conference at the First Baptist Church in Yorba Linda on March 5 through 7.

Dr. Fineberg is an outstanding authority on prophecy and will bring an up-to-date and challenging

interpretation of what is happening in the Mid-East area at the present time.

The meetings are open to all who wish to attend and will be held at 7 p.m. each of the three evenings. Dr. Fineberg will also speak at the Sunday morning service at 11 a.m.
